## NOTICE

Planning Department's "**Directory of Neighborhood Organizations and Service Agencies**" is to be published three times a year, **January-February, May-June, September-October 2004**. The reason for this change from every six months is that the errata were getting too bulky. Now there will be less errata, or changes that come in between publications.

The cost to the public is **\$4 plus \$1 postage**. Directories are available at

**1660 Mission Street, Planning Department, 5th Floor Reception.**

If picked up at the 5th Floor Reception, the cost is **\$4**. If mailing is required, the cost is **\$5**.

Orders enclosing a check may be sent addressed to:

*Janice Shambray  
Neighborhood Organizations Secretary  
Planning Department  
1660 Mission Street 4th Floor  
San Francisco, CA 94103-2414*

**If ordering a future copy not yet published, please specify. Your order and check will be held in reserve until the future mailing.**

To make a phone inquiries call Janice Shambray at **415-558-6392**

In between publishing, the Directory is updated by errata sheet. Changes are immediately reflected on this sheet.

Problems arise when old directories are used that don't reflect incoming changes. For this reason, we republish the Directory with changes three times a year, with errata in the interim. Replacements are charged for as above. There is no trade of an old Directory for a new one; the new one has to be purchased.

# NEIGHBORHOOD ORGANIZATIONS AND SERVICE AGENCIES DIRECTORY

## LISTING POLICY

1. Community organizations will be listed in a single **Neighborhood Organizations Directory** geographic area on submitting a written request with all requested information entered on the Neighborhood Organizations survey form. Request survey forms from Janice Shambray, **558-6392** or perhaps easiest, photocopy the survey form appearing on the first few pages of this Directory, completing it and mailing it in to the Planning Department (address is on the survey).
2. Community organizations will be listed in a **second** Directory geographic area on submitting a written request accompanied by a copy of the organization's bylaws demonstrating that the organization has official and specific geographic boundaries that extend beyond a single geographic area. Citywide or region wide geographic boundaries are considered non-specific and do not warrant additional listings.
3. Community organizations requesting **more than two** Directory geographic area listings must submit the material required for two geographic area listings, as stated above, along with such other documentation as the Department may deem necessary. The Department retains the discretion to accept or reject such requests

### What to do in case of Duplicate Listings

Because there are occasional organizations that appear in more than one geographical area, when using this Directory for labels please check for duplication. Duplication is preferred to cases where the organization would receive no mailing at all, if one geographical location is not being used.
